The tare weight of RKN e1 will charge as 635kg; the tare weight of RAP e2 will charge as 1,100kg.

An extra 5% V.A.T. is required on the above items.

- 1. The General and Special Cargo storage charge will be paid in full at daily rate for any period less than 24 hours, while that of the Import Perishable Cargo will be paid at a full 8-hours rate for any period less than 8 hours, and Export Perishable Cargo will be paid at a full 12-hours rate for any period less than 12 hours.
- 2. All storage fee will be charged on either actual gross weight, or volume weight, depending on whichever is higher. The fraction of one kilogram will be rounded to integer kilogram (while less than one kilogram); and the fraction of one NT Dollar will be rounded to integer NT Dollar (while less than one NT Dollar will be charged as one NT Dollar).
- 3. When the Import and Transit shipment from a flight enters warehouse in several batches, the storage period will be counted from the arrival time of the first batch at the warehouse.
- 4. Storage period of a shipment in one air waybill shall be counted from the time when the first piece of goods enters the warehouse in several batches seperately, each batch will be charged according to its actual receival time. However, Export Cargo entering in several batches in the same day, the storage charge will be reckoned by master air waybill.
- 5. If a shipment in one air waybill contains both ordinary and special goods, the storage charge will be assessed seperately by ordinary and special goods rates according to the actual weight of each.
- 6. If a shipment of a carrier company contains special or dangerous goods, which requires special, VAL(Valuable) Goods, Temporary Valuable Goods or dangerous storage, then special, VAL(Valuable) Goods, Temporary Valuable Goods or dangerous cargo rate shall be applied.
- 7. If the process of cargo acceptance or cargo delivery from the Warehouse cannot be completed due to natural calamity or events of Force Majeure, the charge in the 3 days in item I.1.(1), 2 days in item I.1.(2), 2 days in item I.1.(2), and 2 days in item I.2.(3) will be postponed. The Force Majeure announcement is according to the country government where EGAC located.
- 8. IF the overweight, oversize or extremely sensitive cargo applies for release through the apron, the 50% charge rate of the item I.1.(1), I.4.(1) or I.4.(2) should be applied; the minimum charge shall be NTD 20,000. EGAC will charge the extra handling fee of NTD 0.6 per kg in accordance with item III.3.I. if breakdown service required.
- 9. Each released commercial aircraft should be charged NTD 1,000 as service fee.
- The rates of air cargo terminal warehouse is prepared in both of Chinese and English versions. However, in case of discrepancy, Chinese version will govern.
