I · C A R G O S T O R A G E C H A R G E	1. General Cargo	(1) Import & Export (including Sea-Air / Air-Sea transshipment)	First 3 days	300 kg and under	6.00	NT Dollars/kg	Consignee	1.Shipper 2.Approver	1. Special Cargo applies to cool goods, frozen goods, temperature controlled goods, live animals, plants, valuable goods specified by IATA, and goods which is declared value exceeding NTD 1,000 per kg (or its equivalent in foreign currency). 2. Perishable Cargo without custom release which was then transferred to Import/Export/Transit warehouse of General/Special Cargo will be charged not only at the rate of Perishable Cargo but also at the rate of the General/Special Cargo from its transferring date. 3. Storage charge of Export and Transit consolidated shipment will be charged by master air waybill; Import consolidated shipment will be charged by master air waybill or house air waybill in accordance with the shipment was accepted. 4. All goods in Express Handling Unit, including On Board Courier (OBC), should be charged in accordance with the rate of Express Goods. 5. Within the first 3 days when the Export Cargo of General Cargo was accepted, weekend can have one day free; and if the Monday or the Friday within the National Holiday, it will be free as well. However, on the condition that consignments delivered to EGAC on the above mentioned favored days, they will no longer be free and the storage charge will still apply. 6. Shipment which was stored then was moved to another warehouse with an approval of the custom, will be charged not only at the rate of the original but also at the rate of the new in accordance with the actual storage period. 7. Shipment which is transferred to a different class of storage area (e.g. moving from General area to Special area) will be applied to the rate of the new class of storage area. 8. Transshipment (BF) means the shipment which is transferred from Taoyuan International Airport to Kaohsiung International Airport by a bonded truck, then is cleared at Kaohsiung International Airport customs and took delivery of a custom broker or the owner of the shipment. 9. The General Export Cargo will be charged NT Dollar 2 per kg for extra handling fee while the SLI closed within 4 hours before the estimated time of departure of passenger aircraft or within 6 hours before the estimated time of departure of cargo aircraft.

- The General and Special Cargo storage charge will be paid in full at daily rate for any period less than 24 hours, while that of the Import Perishable Cargo will be paid at a full 8-hours rate for any period less than 8 hours, and Export Perishable Cargo will be paid at a full 12-hours rate for any period less than 12 hours.
- All storage fee will be charged on either actual gross weight, or volume weight, depending on whichever is higher. The fraction of one kilogram will be rounded to integer kilogram (while less than one kilogram will be charged as one kilogram); and the fraction of one NT Dollar will be rounded to integer NT Dollar (while less than one NT Dollar will be charged as one NT Dollar).
- When the Import and Transit shipment from a flight enters warehouse in several batches, the storage period will be counted from the arrival time of the first batch at the warehouse.
- Storage period of a shipment in one air waybill shall be counted from the time when the first piece of goods enters the warehouse. For shipment which enters the warehouse in several batches separately, each batch will be charged according to its actual arrival time. However, Export Cargo entering in several batches in the same day, the storage charge will be reckoned by master air waybill.
- If a shipment in one air waybill contains both ordinary and special goods, the storage charge will be assessed separately by ordinary and special goods rates according to the actual weight of each.
- If a shipment of a carrier company contains special or dangerous goods, which requires special or dangerous storage, then special or dangerous cargo rate shall be applied.
- If the process of cargo acceptance or cargo delivery from the Warehouse cannot be completed due to natural calamity or events of Force Majeure, the charge in the 3 days in item I.1.(1), 2 days in item I.1.(2), 2 days in item I.1.(4), 2 days in item I.2.(1) and 2 days in item I.2.(3) will be postponed. The Force Majeure announcement is according to the country government where EGAC located.
- If the overweight, oversize or extremely sensitive cargo applies for release through the apron, the 50% charge rate of the item I.1.(1), I.4.(1) or I.4.(2) should be applied; the minimum charge shall be NTD 20,000. EGAC will charge the extra handling fee of NTD 0.6 per kg in accordance with item III.3.L if breakdown service required.
- Each released commercial aircraft should be charged NTD 1,000 as service fee.

The rates of air cargo terminal warehouse is prepared in both of Chinese and English versions. However, in case of discrepancy, Chinese version will govern.
